EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Judy Mohr on 10/22/2007.

The application has been amended as follows:

In the claims:

Claim 1, line 7, was replaced with "element, said promoter consisting of SEQ ID NO: 5;"

Claims 24 and 40-42 were cancelled.

Reasons of Allowance

The following is an examiner's statement of reasons for allowance: sequences *consisting of* SEQ ID NOs 1 (claims 1 and 15) and 7 (claim 15) are novel and unobvious given the evidence provided in the Affidavit of inventors Kay and Miao dated 5/31/2007. Furthermore, sequences *consisting of* SEQ ID NOs 4 or 9 (claims 1 and 15) are also novel and unobvious, given the same Affidavit. Moreover, it is noted that the claims encompass the use of the sequences in combination with other sequences in expression cassettes and vectors. While the addition

elements were known in the art, there is no motivation or rationale to combine the specific sequences in the order now claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
